## About the Journal

The International Journal of Academic Studies in Science and Education (IJASSE) is a peer-reviewed scholarly online journal. The IJASSE is published quarterly in Winter and Summer. The IJASSE is published biannual as an international scholarly, peer-reviewed online journal. There is no publication fee in the IJASSE. The IJASSE is an international journal and welcomes any research papers on science and education using techniques from and applications in any technical knowledge domain: original theoretical works, literature reviews, research reports, social issues, psychological issues, curricula, learning environments, book reviews, and review articles.

The articles should be original, unpublished, and not in consideration for publication elsewhere at the time of submission to the IJASSE. Authors are solely responsible for ensuring that their articles comply with scientific and ethical standards and for the content of the article. The journal holds the copyright for all published articles. The publisher disclaims any liability for loss, actions, claims, proceedings, demands, or costs or damages whatsoever arising directly or indirectly in connection with or arising out of the use of the research material. Authors, applicable copyright laws and treaties should be observed. Copyrighted material (e.g. tables, figures or large quotations) should be used with appropriate permission and acknowledgment. All authors are required to disclose any actual or potential conflicts of interest, including financial, personal, or other relationships with individuals or organizations related to the submitted work. The work of other authors, contributors or sources cited should be used appropriately and acknowledged in the references.

## Submissions

All submissions should be in electronic (.Doc or .Docx) format. Submissions in PDF and other non-editable formats are not acceptable. Papers are accepted only in English. Manuscripts can be submitted through the journal website (<https://www.ijaste.com>). All manuscripts should use the latest APA 7 style. The manuscript template for formatting is available on the journal website.
